MEMORANDUM:--

I beg to return your reference No. 6[illegible] to report that South African Volunteer Bounty Land Certificate No. 6261 issued to Lieut. J.Bradley and endorsed in favor of Percy T. Mawhinney, on the 9th November 1911 not having been located prior to the 31st December 1911 cannot now be accepted for entry as the Volunteer Bounty Act 1912 does not extend the time in which certificates endorsed in favor of substitutes prior to the 31st December 1911 may be located and the Deputy Minister of Justice, to whom the matter was referred, recently advised the Department that substitutes appointed under the Volunteer Bounty Act before the first of January 1912, whether their appointments have been recorded in this Department or not have now no right to enter for land, but their rights in view of Section 7 of the Volunteer Bounty Act 1912 are limited to those provided by Sections 5 and 6 of the last mentioned Act.

The only rights, therefore, that the substitute now has under this certificate, are those provided by Section 6 of the Act of 1912 whereby it may be redeemed for $64.00 and there is no authority under which Mr. Mawhinney's request that the certificate be accepted for entry could be considered.

Copies of the Volunteer Bounty Acts of 1908 and 1912 are attached.

Re: Account of Robert James Stephens,
N.E. 1-25-10-W.4th.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain and relief amounting to $94.15 were advanced to Robert James Stephens on the security of the above mentioned land. A payment of $3.20 was received in 1928 and applied to the interest. The present standing of this account is:-

Principal	Interest	Total
$ 94.15	$ 175.48	$ 269.63

Patent was issued in the name of Robert James Stephens for the N.E. 1-25-10-W.4th on the 23rd of August, 1916, subject to the 1915 liens.

The debtor later abandoned his homestead and in 1921 it was reported that there had been no crop on the land for years and it had all gone back to grass.

In reply to our questionnaire of the 24th of September, 1953, The Director of Assessments, Department of Municipal Affairs, Province of Alberta, wrote as follows:-

"Title to this land is presently vested in this Department having been acquired through Tax Recovery proceedings. This land is occupied under Grazing Lease as issued by this Department, and in view of its being situated in that part of the Province designated "Special Areas" there is little likelihood of any sale being made of same."

The information obtained indicates that the land is such that it is unlikely to be disposed of by sale or used for farming purposes in the near future and no longer offers any security of value for our liens. Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.

Re: Account of John P. McGree,
S.W. 34-24-11-W.4th.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1919 and 1920 seed grain amounting to $172.50 was advanced to John P. McGree on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$ 172.50	$ 389.89	$ 562.39

The S.W. 34-24-11-W.4th was formerly the homestead entry of the debtor whose entry was cancelled on the 7th of September, 1921, and is still unalienated Crown land held in the right of the Province.

In reply to our questionnaire of the 19th of May, 1952, J.H. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:-

"This land is unalienated crown land occupied at present under long term grazing lease. This land is located in that part of the Province designated Special Areas and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our advances. Under the circumstances it is recommended that the indebtedness be cancelled.

The above man secured a Soldier's Grant Entry on the above mentioned quarter on February 29th 1919. As this settler already has 320 acres, which is an average farm for the District, he is not entitled to retain his Soldier Grant Entry.

Will you please, therefore, take steps to cancel this in the usual way!

Sir,

S.E.¼ 22-24-10-W.4th M.

Referring to your soldier grant entry for the above mentioned land, the Soldier Settlement Board have advised this office that as you were already in possession of a half section of land and that the same constitutes an average farm for your district you were not eligible to participate in the benefits to be derived from the Soldier Settlement Act with regard to a free grant. Therefore, under the circumstances, it will be necessary to cancel your entry and otherwise dispose of the land.

In this connection I may say that the Soldier Settlement Act was amended during the Session of Parliament in the summer of 1919, debarring a settler from securing a soldier grant who was already in possession of land comprising 320 acres, or land to the value of $5000, and this fact seems to have been overlooked when you were given a soldier grant entry on the 27th of September last.

It is noted that you have not received Letters Patent for your pre-emption, the South East quarter of Section 33, Township 28, Range 12, West of the 4th Meridian, and if you so desire there would appear to be no reason why you should not abandon the same and locate your soldier grant thereon. Should you desire to take this action you should appear before the Agent of Dominion Lands, Calgary, without delay and execute the necessary declaration of abandonment, and provided the same is satisfactory the Agent will accept from you an application for soldier grant entry for the land. In this connection I might point out that military service will not count as residence in connection with a soldier grant, and you will require to perform the ordinary requisite settlement duties before you will be in a position to make successful application for patent.

Assistant Secretary.

Sir,

In reply to your letter of 16th inst referring to my soldier settlement and I wish to say that I have not received a qualification certificate from the head office of the Soldier Settlement Board Ottawa in Sept 1918. I was at that time undergoing medical treatment at the Rocky Mountain Sanatorium. When I was discharged from there I went to the Dominion Lands agent and asked if I was entitled to take up the section of land as a soldier grant. He told me that I was entitled to do so. I had previously asked your office if I could have my pre-war application for a soldiers grant but this was declined in your letter of 23rd March 1919. He told me that I was entitled to a section of Land at Calgary that I was entitled to with the section of pre-war application but that was unable to find it as they say although I have applied for it several times and had to take up the soldiers treatment. Sir,

I am in receipt of your communication of the 27th ultimo, protesting against the cancellation of your soldier grant entry for the above described land, and in reply to say that a copy of your letter is being sent to the Soldier Settlement Board with a request for reconsideration of your case in view of the fact that you claim you were prevented from exercising your soldier grant rights previous to the amendment to the Soldier Settlement Act on account of illness, the result of active service Overseas. On receipt of a reply you will be further advised with reference thereto.

It may be added that according to the evidence in your application for pre-emption patent for the South East quarter of Section 33, Township 28, Range 12, West of the 4th Meridian, you have performed sufficient residence and cultivation duties to entitle you to Letters Patent, and provided your application to have your soldier grant entry restored is unsuccessful you could abandon your pre-emption and convert the same into a soldier grant and patent would issue forthwith.

Referring to your memorandum of the 26th January last, S.S.B.#16792, I beg to inform you that Mr. Maurice James' soldier grant entry for the land above described was cancelled and he was advised of the action taken and the reasons for the same.

I am enclosing herewith a copy of a letter received from Mr. James protesting against the cancellation of his entry, and in view of his representations that he was unable to exercise his soldier grant rights previous to the amendment of the Soldier Settlement Act, on account of illness, the result of active service Overseas, his case might receive reconsideration, and I would ask you to advise this office if any concessions may be granted to Mr. James in view of the representations made and whether his soldier grant entry might be restored.

Mr. James has made formal application for Letters Patent for his pre-emption and according to the evidence submitted he has performed sufficient in the way of actual settlement duties to entitle him to Letters Patent therefor, and he has been further advised that if he is unsuccessful in his request to be reinstated in his soldier grant entry he could abandon his pre-emption and convert the same into a soldier grant and Letters Patent would issue forthwith.

With further reference to the cancellation of the Soldier Grant entry of Maurice James on the S.E. ¼ 33-24 10 W. 4th Mer. I beg to point out that Mr. James secured an advance of Seed Grain in connection with this land, this year. As the conditions under which this advance was made were that the grain should be used on the land for which it was applied, it is presumed there is a crop on the land, and I am to ask whether Mr. James is to be permitted to harvest same, or if in the event of the land being re-entered for, the new entrant will be required to pay for it. Also, will you kindly advise me whether the amount of the lien in question, namely $145.50 is to be made a charge against this land, or if it will be registered against Mr. James' homestead and pre-emption.

Pending the receipt of instructions from you in this connection, the quarter section in question is not being posted.

DOMINION LANDS OFFICE

Posting of Soldier Settlement Land.

[illegible] 13. [illegible] 23. 191[illegible]

Notice is hereby given that after the expiration of 10 clear days from the date hereof, that is, on and after the [illegible] 191[illegible], the [illegible] ¼ of Section [illegible]

Township 84 Range 10 West of the [illegible] Meridian,

will be available for entry, providing the land is of the class suitable for farming and is unoccupied, as follows:

ON THE DAY LAST ABOVE MENTIONED the privilege of entry either as an ordinary homestead or as a soldier grant is restricted to a "settler," as defined by the Soldier Settlement Act, eligible to make entry who holds an adjoining quarter section under homestead or soldier entry, or who obtained homestead patent for such quarter section and is still the owner thereof, or who was a squatter before survey on such quarter section. The regulations relating to conflicting claims by adjoining settlers will be found in full on the back of this notice.

ON THE SUCCEEDING DAY (namely the [illegible] day of June 191[illegible]) and thereafter, unless entered for or reserved for an adjoining "settler" the land will be available—

a for entry as an ordinary homestead by any person eligible to make homestead entry who is on active service in the Naval or Military Forces of His Majesty, or who has been honourably discharged therefrom. Men belonging to, or discharged from, the Allied Forces cannot homestead on the land reserved for soldiers unless they were British Subjects, resident in Canada before the war and have not exhausted their homestead right.

b for entry as an ordinary homestead by a "Settler" as defined below, provided he is eligible to make homestead entry.

c for entry as a soldier grant by a "Settler" as defined below

"Settler" means—

a The person who has served in the naval or military expeditionary forces of Canada during the present war and who has left the forces with an honourable certificate, has been honourably discharged,

b The person who has been engaged in active service during the present war in the naval or military service of the United Kingdom or of any of the governments or Colonies and who has left the forces with an honourable certificate, has been honourably discharged,

c The person who being a British subject resident in Canada before the war has been engaged in active service during the present war in the naval or military forces of any of His Majesty's allies in the present war and who has left the forces with an honourable certificate or who has been honourably discharged,

d The widow of any such person described in items a, b or c, unless she married on active service.

The members of the expeditionary forces specified in the Soldier Settlement Act, 1917, may be held to qualify as settlers, save those members who have been discharged or left the forces after having served in an actual theatre of war outside Canada, and who have returned to Canada after having served in Canada only and having received particulars of discharge prior to such time as they could have returned to such service, provided that no member shall be entitled to the benefits of the Act who shall have been certified by the Department of Militia and Defence or other military authorities as the case may be, should have been certified to be unfit to return to Canada for military service.

Applicants for soldier grant entry must produce, when applying for entry, certificate of attestation or telegram or special letter from the Soldier Settlement Board.

Applicants for homestead entry must produce evidence of honourable discharge; or if still on military service must furnish particulars of enlistment.

Any person who is desirous of making entry must visit the land personally before making his application and satisfy himself that there is no one in residence, as he will require to swear when making application for entry that the land is unoccupied. The intending applicant should, at the same time, carefully examine and estimate the value of the improvements, if any.

The application for entry (unless made by proxy) may be made either at this office or at the office of the Sub-agent of Dominion Lands in whose district the land is situated.

Proxy entry must be made at the office of the local Agent, not Sub-Agent. For proxy regulations see Dominion Lands Hand-Book.

No fee is charged in connection with a soldier grant.

The entry fee if taken as a homestead will be $10. According to evidence on file in this office there are improvements upon the land stated to be worth $ [illegible]30.

Payment for Improvements

Before a person is granted entry or reservation he shall declare what improvements, if any, there are upon the land for which he applies, and pay to the Agent or Sub-Agent the full amount of his valuation of such improvements. Should he fail to make such declaration his entry or reservation shall be liable to cancellation.

In the event of uncertainty as to the correctness of the entrant's valuation, or if the value of the improvements is placed at over $25, the Agent shall cause such improvements to be examined and valued by a Homestead Inspector. If a surplus has been paid, the excess amount may be refunded. If insufficient has been paid, the entrant must at once pay the difference, otherwise his entry may be cancelled.

Payment of Indebtedness Charged Against the Land

The following indebtedness is charged against this land $[illegible]. If the amount collected for improvements is not sufficient to make up this indebtedness, the applicant for entry is required to pay the [illegible] amount as to make up the full amount of indebtedness.

MEMO FOR FILE:

Mr. Perrin.

N.W. 14-24-10-W.4th M.
S.W. 24-24-10-W.4th M.
S.E. 25-24-10-W.4th M.
N.E. 14-24-10-W.4th M.

Timber and Grazing Lands Division have asked to be advised if the Inspector's report of August 1929 varies with former reports on the above described lands and if in view of the nature of the latest report whether or not these lands might be considered of a class which could be disposed of under the Grazing Regulations.

In November 1927 Inspector Marcombe reported on the North West 14-24-10-W.4th M., to the effect that this land is rolling and rocky, 120 acres fit for cultivation but is only suitable for a homestead for a person who has other land in the vicinity, otherwise he would recommend it for grazing.

In September 1927 Inspector Fleming reported on the S.W. 24-24-10-W.4th M., to the effect that 150 acres were fit for cultivation but that 150 acres had been broken and gone back to weeds. The entry at that time was cancelled in May 1934 and the land has not since been held in homestead entry.

In September 1922 Inspector Woodcock reported on the S.E. 25-24-10-W.4th M., to the effect that the whole quarter section was suitable for cultivation and that the soil consisted of chocolate loam.

This land was posted for settlement in November 1922 and entry was never claimed thereon.

In May 1920 Inspector Fleming reported on the N.E. 14-24-10-W.4th M., to the effect that this land at that time had but one crop on it and he valued the land at $20.00 per acre. The entrant abandoned this entry in September 1923 and the land was posted the following month for settlement and has not since been entered for.

In August 1929 Inspector Stickney reports on all the above mentioned lands as follows:

"This land is hard clay, very poor sort, stony, hardpan "in a dry district. Practically all the land in this district "that was once cultivated is now abandoned and gone back to sod. "It is unfit for cultivation or for stock homesteads.

"Recommend that lease be granted.

"I am of the opinion that the granting of a twenty-one year lease on above mentioned land will not injuriously affect the interests of any bona fide established industry in the district."

Dear Sir:

Re: S.E. 22-24-10-W.4th.

This Department has an old account against the above noted land for advances of seed grain to Hugh M. Sparks in 1919. We are anxious to bring our records up-to-date and if possible to settle this long outstanding account. It would assist us greatly if you would be kind enough to complete the attached form.

An addressed envelope which does not require a stamp is enclosed for this purpose.

Yours very truly,

C.K. LeCapelain,

Re: Account of Hugh M. Sparks,
S.E. 22-24-10-W.4th.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1919 seed grain amounting to $149.00 was advanced to Hugh M. Sparks on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$ 149.00	$ 343.03	$ 492.03

The S.E. 22-24-10-W.4th was formerly the homestead entry of the debtor whose entry was cancelled on the 12th of September, 1919, and is still unalienated Crown land held in the right of the Province.

In reply to our questionnaire of the 19th of May, 1952, J.H. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:-

"This land is unalienated crown land occupied at present under long term grazing lease. This land is located in that part of the Province designated Special Areas and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our advance. Under the circumstances it is recommended that the indebtedness be cancelled.

File No. 3-1[illegible].

OTTAWA - [illegible]

[illegible]:

Request for Title under Order in Council of the 4th June, 1921, where duties completed by soldier settler.

Re: Leonard G. Stacey,
N.W.¼ 33-[illegible]-11 W.4th M. (Hsd.)

The above-described land is the unpatented homestead of this settler.

Subsequent to the initial loan approved in his favour on the 20th May, 1919, the settler secured advances from the Board totalling $[illegible], as follows: removal of encumbrances, $[illegible]; stock and equipment, $[illegible]; permanent improvements, $[illegible]; personal advances, $[illegible]. As security the Board holds a charge on the settler's homestead. The only other land security held by the Board in this case is title to the S.W.¼ 33-[illegible]-11 W.4th M., the settler's former soldier grant.

The Board is informed that the settler has completed the duties in connection with his homestead, and would be entitled to receive patent but for the Board's charge. This is confirmed by a letter from the Secretary, Department of the Interior, to the settler dated the 13th February, 1925.

The regulations approved by the Governor in Council on the 4th June, 1921, P.C. 1321, enable the Minister, on completion of duties by the settler and on the request of the Board to vest the settler's right, title and interest in the unpatented Dominion land held by him in the Board, title remaining in the Board until the settler's indebtedness has been repaid. Such transfer of title also enables the settler to negotiate a sale of the land with the view to repaying the loan he has obtained from the Board.

The settler has requested that title to the land be issued to the Board. There is nothing on file to show that he contemplates discontinuing his farming enterprise. However, the settler desires to have title issued as aforesaid in order that it may be held by the Board as security for the advances granted, and in order that he may be in a position to negotiate a sale should he decide to do so at a future date.

Under the provisions of the regulations referred to, the Board hereby requests that the right, title and interest of the settler in the N.W.¼ 33-[illegible]-11 W.4th M. be vested in the Soldier Settlement Board.

The Board has an effective charge on the land under the recent amendment to Section [illegible] of the Soldier Settlement Act, as the advances referred to in the second paragraph hereof were made to the settler subsequent to the date of entry for his homestead.

A Western Land Agreement is attached hereto.

Request for transfer of [illegible] Grant.

Re: Leonard V. Stacey - [illegible].
L.S.[illegible]-11 W. 4th M. (L.S.)

The above named settler secured advances from the Board totalling $3160., the Board taking a charge upon his unpatented soldier grant above described. Owing to such charge, patent to the soldier cannot be issued to the settler until his indebtedness to the Board has been fully discharged.

We are now in receipt of an application from Mr. Stacey requesting that patent to his soldier grant should be issued in favour of the Board. Mr. Stacey states that he has completed all duties in connection with his soldier grant and would be entitled to receive patent therefor were it not for our charge. This is confirmed by the letter from the Secretary of the Department to the settler, dated the 13th October, 1934, copy of which is attached hereto.

I agree to direct a settler to execute a sale of land in [illegible] Manitoba, special Regulations were promulgated by the Board as approved by the Governor in Council on the 4th day of June, 1931, (P.C.1031), which enabled the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented land held by him in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the provisions of these Regulations, the Board hereby requests that the right, title and interest of His Majesty in the [illegible] W. 4th M. be vested in the soldier settlement board. The [illegible] Order-in-Council is attached hereto for the Minister's signature.

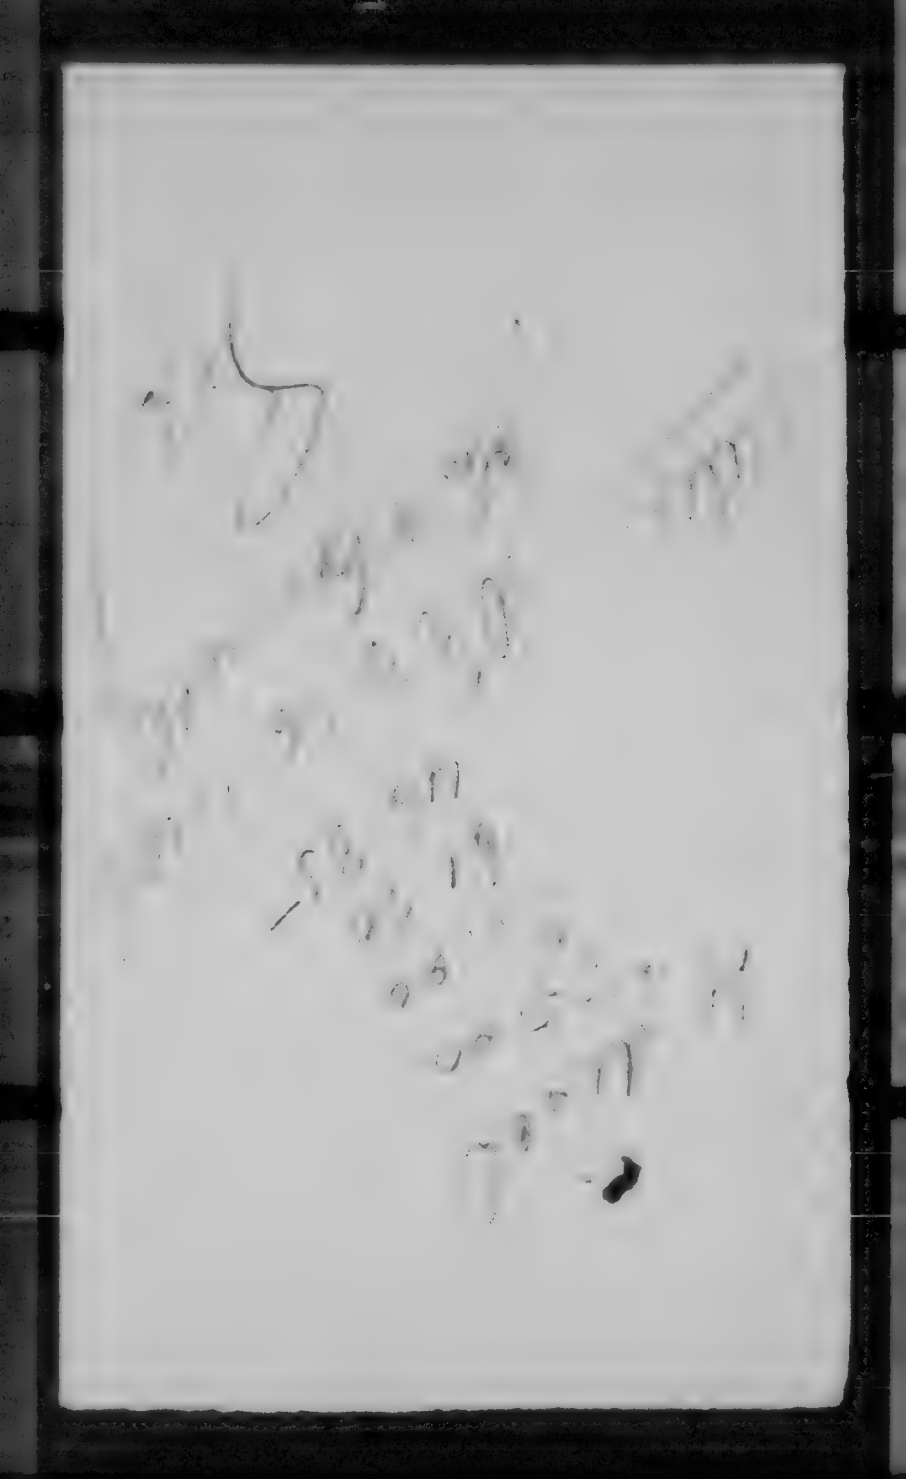
W½ 3-26-11 W 4th



We duly received copy of your letter of the 16th instant addressed to the Registrar at Calgary with discharges of liens for $5°, $6°.8! and $1°2.4° respectively. On receipt of this letter we wrote the Registrar asking him to send us a clear Certificate of Charge as to our client's mortgage against the above lands, and today have his reply saying that liens for $6 .20 and $46.85 are still registered against the title. As we paid the amount required by the Agent of Dominion Lands, Calgary, to discharge all liens against this land, we take it that these liens had previously been paid but that the discharges were never forwarded to the Registrar at Calgary. We will be obliged if you will look into this matter and if this is the fact have the Registrar instructed to remove the encumbrances from the title and let us know when you have done so.
